THE CLUB THE CAR THE YEAR

The 2009 National Rally will be held on Saturday 12th September at Mallory Park in Leicestershire.

Mallory Park is renowned as being one of the best - if not the best - circuits for spectator viewing in the country. This is why Mallory Park has the nickname "The Little Circuit With The Big View". Located in a natural amphitheatre, the grassy banks that overlook the circuit enable you to see all of the action - and there is going to be plenty of action!

For satellite navigation, Google or Multimaps users, the postcode is **LE9 7QE**

For further directions and information can be found on the Mallory Park website at <http://www.mallorypark.co.uk>

A taster of this year's celebratory National Rally highlights include:

- Driver training - Improve your driving skills with qualified instructors
- Excellent value track time - pick and choose when YOU want to be on track!
- Gymkana Paddock / Handling Arena - Drive one of two specially prepared cars, or your own car around the special course trying not to knock any cones down!
- A very special visit from **Driftworks**, putting on an expert demonstration of drifting in world class competition cars and almost 2000 horsepower on track. This is NOT to be missed! There will be 2 demonstrations, one at Lunchtime and the Grand Finale for the day.
- Charity Hot laps - High speed, white knuckle passenger lap for charity with skilled racing drivers. Proceeds to **Help for Heroes**

Rally Booking Form

Please use this form to order your 15 20 National Rally Tickets in advance.

Because of the nature and size of this year's event, we would ask everyone to respond at the earliest opportunity as the administration and delivery of this event is provided entirely by volunteers and so, early applications, requests and questions help to spread the workload whilst also ensuring your places. A strong and early indication of numbers will also encourage more Traders to attend.
